LISCIO - SETTS & SLABS

100% Natural Stone Top Layer

With a premium ground finish, Liscio concrete pavers offer performance, style and architectural refinement.

A slip-resistant, flat surface makes Liscio ideal for use in any commercial area. Its unique appearance is very impressive when specified in extra large sizes and, when combined with other finishes like Breccia, Lavarò or Sferio, it is particularly effective in highlighting design features.

Key Features

- 100% natural stone surface
- Four aggregate grain sizes
- Ground finish
