

CONCRETE

NEWGRANGE

Shot-blasted finish that creates a lightly textured surface.

Newgrange Flags Features:

- Natural Aggregate Flag Paving
- Lightly textured surface finish using premium granite aggregates
- Suitable for use on patios, paths and commercial pedestrian areas
- Can be laid in stack bond or stretcher bond depending on unit size(s)
- Silver granite jointing sand should be used with all granite products

Newgrange Blocks Features:

- Lightly textured surface finish using premium granite aggregates
- Various depth options available for different traffic loadings
- Can be laid in a variety of patterns depending on unit selected, please ask our technical team for laying pattern options
- Normally supplied in a three-size mix (240x160/160x160/120x160), including our 100x100 cobble
